SERVICE:

When your equipment needs a repair, it can be a frustrating experience. That's why at HammerHead we streamlined the service process as much as possible to get your team back on the job as soon as possible. **HammerHead® products are proudly serviced here in the USA!**

QUICK TURNAROUND

- Equipment is documented & repair cost is quoted within one business day of arrival
- Most repairs are completed within three (3) business days

RENTALS DURING REPAIR

- Reduce downtime using equipment from our rental fleet during repairs
- For Bluelight® warranty repairs, HammerHead covers the cost of rental

AFTER HOURS SUPPORT

- Technicians are available after hours
- Multiple ways to contact us for service

SPECIALIZED TECHNICIANS

- Each technician specializes in one type of equipment – CIPP, bursting, etc.
- Over 50 years combined experience in the industry

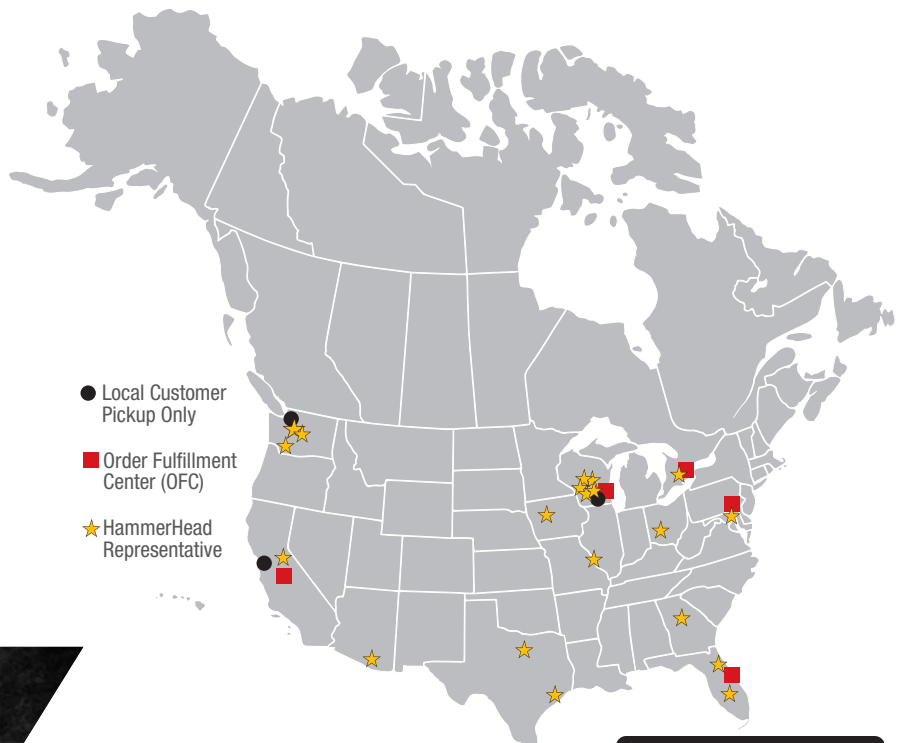

We're Here to Help You!

Our dedicated sales team can assist with your product and application questions, and is ready to answer all of your trenchless questions. To ensure your consumable orders arrive the fastest way possible, we ship from five conveniently located distribution points across the U.S. and Canada.
